

## FOLLOWLIKE.NET USER GUIDE

### Adding a new campaign

- 1) Login to followlike.net
- 2) Click Add Site/Page
- 3) Select the platform you wish to promote
- 4) Enter the URL as told by the instructions on screen
- 5) Give your link a general title
- 6) Set your CPC (Amount of coins you wish to pay a member for clicking your link)
- 7) Boost your CPC higher (Free members have to boost daily, Premium boost stays set)
- 8) Set any limits you want on the number of clicks
- 9) Target specific countries if required
- 10) Submit your link

The screenshot displays the FollowLike.net website interface. At the top, there is a navigation bar with links for Home, Add Site, Earn Coins, Buy Coins, Subscribe Monthly, Contests, Bonus, My Account, Support, and Logout. Below this, a sidebar menu lists various earning methods under the heading 'EARN COINS', including SEO Keyword Links, SignUps, Referrals & Tasks, Facebook Followers, Facebook Fanpage Likes, Facebook Website Likes, Facebook Website Shares, Facebook Post Shares, Facebook Post Likes, Facebook Post Comments, Facebook Photo Shares, Facebook Photo Likes, Facebook Photo Comments, Facebook Event Accepts, Flickr Contacts, Flickr Favorites, Flickr Comments, Google+ Circle Followers, Google Website +1's, Google+ Shares, Instagram Followers, and Instagram Likes. A red arrow points to the 'Add Site/Page' button in the top navigation bar, with the text 'Select Add Site' written next to it. The main content area shows 'Current Member Actions (Live), Total Click Count 6502796' and a list of recent actions. Below this, it displays 'Members Registered: 52104. Members Currently Online 6' and a list of recent logins. At the bottom, there is a 'Member Advertisements' section featuring ads for giffgaff and HitSpeeds.
